

# The Owl Coins Project!

**Bring in your spare change to contribute to the Owl Coins Project!  
By Friday, February 8th**

**The Owl Coins Project!** This is a non-district initiative to collect spare change that will pay the outstanding food services bill as well as other related expenses for our Lynbrook families with children who have a demonstrated need. *Last year, we were able to help over 50 families just by collecting donated nickels, dimes, quarters and pennies.*

At the elementary level, since we don't have a formal food services program, we know many students that need our help. Our food services company at the secondary level would provide school meals to these elementary children by request of the building support staff.

At the middle school and high school level, the Owl Coins would go towards the outstanding food services balances for our families with demonstrated need. Coins collected would provide breakfast and lunch for these students.

Our schools and community do an amazing job to support our families throughout the year. With your spare change, we can directly make a difference for our Lynbrook families.

**What to do:** Bring your Owl Coins in a Ziploc bag to the main office of your child's school to the attention of one of our Owl Coins Project Representatives by **Friday, February 8<sup>th</sup>**. **Anyone can contribute to The Owl Coins Project!** All funds collected will go directly towards helping for our own kids.
