

South Supports
A.L.S. Ride for Life

On Wednesday, May 15th Chris Pendergast will be joining the Ride for Life to raise money for ALS awareness. Part of his journey will be riding through Lynbrook. Mr. Pendergast lives with ALS and spoke at South Middle School during a presentation in April. Our club has the opportunity to walk with Mr. Pendergast from South to Marion Street. On this day, the students from South will be taking place in a walk-a-thon during periods 9 and 10 to raise awareness for this cause. In addition, Student Council will be selling ice pops, in which the proceeds will go to the ALS Ride for Life Foundation.

Cut off and return the bottom portion to Mrs. Brandstetter or Mrs. McCartney by Friday, May 10th.

I give my child _____ permission to walk from South Middle School to Marion Street and back to South Middle School for the ALS Ride for Life event on Wednesday, May 15th. I am aware that this will take place during the school day.
