October 5, 2020

Dear Parent/Guardian,

The PTA is working on compiling class lists with contact information for your child. These lists will only be shared with your child's class. If you would like to be included, please scan the QR code with your cell phone camera and a link will pop up on your screen. Click the link to open up the Google Form to share your contact information.

The deadline to be included in the class list is Friday, October 16, 2020. If you have any questions, please email marionstreetpta@gmail.com.

Thank you. Marion Street PTA
