

Lynbrook "Lights the Sky"

The Student Councils from each Lynbrook School Building are coming together to help our very own **High School Graduating Class of 2021**. In an effort to do so, we are hosting Lynbrook "Lights the Sky" to raise money for awards, scholarships and events for the deserving seniors in Lynbrook.

On March 11th, we are asking that you put your luminary bags on display either on your sidewalk or front porch. This will show how united our community is and how we are **Lynbrook Strong!**

Lynbrook "Lights the Sky"
