

January 2021

Dear Members of the Lynbrook School Community,

You may know that the Lynbrook PTA Scholarship Fund has been raising important resources for our students for years. In fact, over the past ten years and with your support, we have awarded more than \$150,000 to graduating seniors who have demonstrated excellence in scholarship, citizenship, work ethic, and service to our school and community. All scholarships are selected by the High School Guidance Department. These resources have been so meaningful to the recipients and while the amounts are modest, by some standards, the scholarship makes a profound impact. Traditionally we raise money year-round for this effort with the lion's share coming from the annual Homecoming Football Game each fall. Naturally, with COVID19 in our midst, our focus has shifted.

The High School is undergoing a massive construction renovation. The Lynbrook Council of PTAs is excited to announce our PAVE A PATH campaign. This is a special opportunity to leave your mark and celebrate your Lynbrook loved-one by purchasing a commemorative brick to be cemented in the new construction. Your brick not only serves as a lasting tribute, but it also supports current and future students with all proceeds benefiting the Lynbrook Council of PTAs Scholarship Fund. Each brick donor will be recognized on all Lynbrook PTA social media platforms and will be listed in the PTA's various newsletters. Additionally, donors have the option of purchasing a commemorative certificate to celebrate the purchase. All bricks must be purchased online at <https://www.bricksrus.com/donorsite/owlspath>.

Your support is so important now. We know that families have experienced tremendous hardships this year, in particular, and that every gift will make a difference. As always, we accept donations of any amount. If you would like to make a donation without ordering a brick, you can mail a check payable to "Lynbrook Council of PTAs" to Lynbrook Council Scholarship Fund % Lauren Pignataro at 67 Lenox Avenue, Lynbrook NY 11563.

Please contact us at Lynbrookptascholarships@gmail.com or at 516.262.3877 if you have any questions.

Thank you, in advance, for your consideration of this special effort.

Bricks will be placed in phases by the new flagpole and on the path outside the new wing.

Engraved bricks will come in two sizes, 4x8 and 8x8,
and can include clip art or a custom logo.
