

You are invited to our annual
OPEN HOUSE

on March 7th, 10AM—1PM

Summer is almost here! And the Open House is great time to sign up for our summer and spring programs and to learn about all of our family and kid programs. Meet the staff, get a discount into the museum, walk the 17 acre nature preserve, try a free activity for kids, learn about the Dinosaur Club for kids, and enjoy some snacks.

Event held outdoors in our picnic area, limited indoors, masks required.

Upcoming Events and Programs:

Annual Open House—March 7th 10AM-1pm; sign up, visit, and explore

Evening with the Dinosaurs— March 12, 7-9PM, open for 1 evening this year, includes a guided tour of the museum with hands-on activities for kids. limited availability.

Spring Vacation Program—March 26th to April 6th, 9am-4pm; schools out and we are open during the school vacation. Pick any days and you like. Kids explore science and experiments everyday with our staff of scientists and teachers.

Winter Scavenger Hunt— March 27th 2-3pm; This outdoor adventure is for the whole family, search the trails in an adventure for clues about living things and nature.

Summer Program—Starting June 28th and all summer; kids discover and engage in science learning

Announcing:

Starting this Summer of 2021 kids (ages 7-12) can participate in The Dinosaur Club. The club is for kids that want to focus on everything dinosaurs. There will be monthly get togethers with presentations and discussions about the latest news and science, exclusive monthly newsletters, gift shop and museum discounts, a VIP membership card, and more!
