

Dear Marion Street Families

On **Friday February 14th**, we ask that all students wear **Purple** as we celebrate *P.S. I Love You Day* and engage in thoughtful activities throughout the week.

P.S. I Love You mission is to bring awareness to the importance of mental health and decrease bullying. We strongly believe that by educating students earlier about mental health, the conversation will be easier to discuss, and students will be able to recognize when they or others around them need help. We would like to encourage our community to foster kindness and a welcoming environment; and educate others that mental health is just as important as physical health.
